CUSTOMIZED COFFEE TABLE

We Smart Office Furniture's are Customized Coffee Table / Side Table / Lounge Desk Manufacturer, who is tailoring to your specific needs and design preferences, making them a valuable addition as as both functional and decorative elements to your office or Home. Rest Assured that we work closely with professionals throughout the process to achieve your desired outcome. We create a one-of-a-kind piece of furniture that enhances your living space.

We are creating a customized coffee table or side table to the design a unique piece of furniture that perfectly suits your style and needs.

1. Define Your Requirements and Style: Start by determining the purpose of the table and the style you want to achieve. Consider factors such as size, shape, height, materials, and any special features you desire. Take into account the existing decor and color scheme of the room.

2. Conceptualization and Design: We work with our furniture designer to create a detailed design concept for your coffee table or side table. This may include sketches, 3D renderings, or CAD drawings to help you visualize the final product.

3. Material Selection: We allow you to choose the materials for the table. Consider options such as wood, metal, glass, stone, or a combination of materials. The choice of materials will greatly impact the table's aesthetics and functionality.

4. Customization Options: Explore customization options such as the table's shape (e.g., round, square, rectangular, or irregular), edge profiles, finish options (e.g., stain, paint, natural finish), and any decorative elements or inlays.

5. Construction and Fabrication: We are manufacturer experienced in crafting custom furniture. Share your design specifications with us and we will proceed with the fabrication process.

6. Quality Control: We update the Status during the fabrication process to ensure it meets your quality standards and design specifications. We address any issues or adjustments promptly.

7. Maintenance and Care: Establish a maintenance plan to keep your customized table in excellent condition. Regular cleaning and upkeep will help preserve its beauty and functionality.

8. Regular Dimensions:

Lounge Coffee Table : 100 to 120cm Length x 50-60cm Width x 45cm Height

Square Coffee Table : 50-60cm Length x 50-60cm Width x 45cm Height
